Imperials on Tatoonine

In a bold move, the Empire task force has landed on the desert planet of Tatoonine in force. It's rumored that they are searching for one very annoying droid and his tiny companion, who may hold the key to the survival of the galaxy.

New Y-Wing Released

Featuring the amazing new golf ball thruster technology, the rebel alliance has publicly announced the development of their new secret weapon, the deadly Y-Wing. In addition to golf ball thrusters, it also features an oak interior with chrome hardware.

Firefighters Save the Day!

The smell of melted plastic was in the air as the well known LegoLand Tower went up in flames. Firefighters from multiple sets converged on the location in a desperate attempt to extinguish the flame as quickly and safely as possible.
